We are so grateful that our holy and magnificent God so loved the world that he came to us in the flesh, to be so very near to us and to experience this life with us. He takes our dying moments and transforms them into avenues of grace.

We are also grateful to you, our brothers and sisters in Christ and in God's service. We received an incredibly generous gift last year to help pay for guest registrations, and we received so many hours of prayer and help in spreading the gospel. This is evidence of God's Spirit working among us and in you. Thank you!

God gives himself to us; may we give ourselves to him and also lead others to our Savior. Bless you, and have a wonderful Christmas!

Yours in Christ,
Matthew Froeschle
